

# The Ruby Slipper<sup>®</sup>

The Ruby Slipper Car Seat Cover is a specially designed, heavy-duty double-layered seat cover with a *unique sliding action* that allows passengers to swivel in and out of the car seat with ease. This simple seat cover allows passengers to quickly and easily enter or exit virtually any vehicle.

The Ruby Slipper is comfortable, convenient and helps reduce stress while traveling. It is intended for anyone with limited mobility and strength, or recuperating from recent surgery.

**Unique  
Sliding  
Action!**

## SO EASY TO USE & STORE!

**Smart:** Made of cool nylon fabric, repels liquids easily.

**Easy:** Helps passengers twist and turn to get into seats more easily.

**Flexible:** Can be used by passenger or driver.

**Works with most vehicles** including trucks and vans.

**A simple and easy car seat** mobility aid.

Available in 3 colors:  
Red, black & gray
